OUR CIRCULATION.
We mean to keep the following paragraph stand-
ing for the benefit of all whom it may concern:
ADVERTISING.—We would commend the following
facts to the attention of the advertising community.
The "Wilmington Journal" circulates upwards of 12
thousand copies weekly. Its circulation in the town
of Wilmington is as large as that of any other paper pub-
lished in the place. We would further state that its
circulation in the counties which trade to this place in
North Carolina, and that it is daily increasing.
We are, therefore, without the fear of contradiction,
that it is the best vehicle for advertising which the peo-
ple of Wilmington can select. One other observation.
We think, that although a large majority of the readers
of the "Journal" are Democrats, still many occasionally
do not read, as well as the readers of the other pa-
pers. We have written the above merely for the infor-
mation of those who are most deeply interested—busi-
ness men of all professions and all political creden-
tials—WANT CUSTOMERS.
